

**ROUND 2 INTERVIEW**  
**October 13, 2018**

**JERRY KELLY (-11)**

---

**Q. You started the day 4 back, head into it 3 back, do you feel like this golf course is conducive to playing from behind where you can make some birdies and put some pressure on those guys?**

**JERRY KELLY:** Well, apparently there's some 10 unders out there, so, you know, you've just got to try and play as hard as you can. Greens are tough at the end of the day, I think everybody realizes that, so you've got to get the ball close to make a bunch of birdies. They must have done that yesterday and have a little tougher time today, but yeah, it's still scorable.

**Q. You're one of seven guys that have led the Schwab Cup this year. What's it like knowing that you're one of a number of guys that can still win this thing as we're heading into the Playoffs?**

**JERRY KELLY:** Yeah, I was putting pressure on myself all over the place earlier. You know, now I've kind of resigned myself to just go play, let the chips fall. Feels a whole lot more comfortable, so it's nice to have some good rounds while I know my mental game is better, and I know that's why I've had better rounds, so it's been good.

**Q. With this tight leaderboard, does it feel like the Playoffs have already started?**

**JERRY KELLY:** Not quite, not quite. You know, we know when those double points kick in. Looking forward to the next three.
