

FINAL ROUND INTERVIEW
October 14, 2018

SCOTT PAREL (-16)

Q. Your confidence has got to be as high as it's ever been, am I right?

SCOTT PAREL: Yeah, I'm playing good golf. You know, I had a really good -- Bernhard is just in his own world this week.

Q. Talk about Bernhard. You know, he's going to peak for the Playoffs, he's re-announced himself. You have to expect that going in?

SCOTT PAREL: Sure. If it's not him, it's going to be somebody else, so it's not just -- obviously it's not just one guy, Jerry, Miguel, Scott McCarron, all these guys are going to be amped up for Schwab Cup. I'm playing well right now, hope I can continue for three more weeks, just see what happens.

Q. You've played well in the Playoffs the last couple years. Do you take those experiences, keep them in your back pocket???

SCOTT PAREL: Yeah, I love all three of the golf courses, so I'm comfortable on all of them, I think. I feel like I've shot some good rounds on them all, so if I can keep playing like the way I've been playing, hopefully I can have a good result.
