

ROUND 2 INTERVIEW
September 15, 2018

PAUL BROADHURST (-9)

Q. Paul, one shot off the lead heading into the final round, how do you feel?

PAUL BROADHURST: I guess a little bit disappointed. I didn't play the back nine that well. Sort of left a pretty low score out there. 12, 13, 14, I expected to make birdies down there and didn't. Made a bad bogey on 13, the par 5. It was a bit of a struggle out there on the back nine. I played really well on the front. So yeah, but, you know, (inaudible) probably the best place to be. We'll give it another go tomorrow, see what happens.

Q. Is this your first time playing here?

PAUL BROADHURST: It is, yeah, first time.

Q. What do you think?

PAUL BROADHURST: Yeah, I've enjoyed it so far. I feel lucky that I'm playing. This time last year I was (inaudible) a bit of a back injury and the physios on the van here and back going to get me swing in the (inaudible) again. It's a bit of a situation sort of Friday, Saturday, didn't know if I would play this week.

Q. And you won in Michigan earlier this year and now you're in contention. Is there something about the courses here in Michigan?

PAUL BROADHURST: There must be, I don't know. I'm a little bit surprised. I've had a couple weeks off, the game's been pretty good apart from the last few holes. Hit a couple of balls in the morning and get the rhythm back and ready to go for the last round.

Q. Do you have a number in mind?

PAUL BROADHURST: I was thinking 15 all the way around, but I feel as if, you know, having gone out in 5 under, I probably should have been looking at 12 today probably, so a little bit disappointed. One back, can still win it.
