

FINAL ROUND INTERVIEW
September 16, 2018

MARK O'MEARA

MARK O'MEARA: All right. What do you want to know?

Q. Paul played awesome. He made some great putts out there, some good saves, and then certainly birdieing the last hole when he had the lead was impressive.

MARK O'MEARA: As for myself, I think what really hurt was obviously three-putting 12 from the back edge, not making birdie there, and then three-putting the par 5 for par. But, granted, they were pretty tough putts.

And I could have hit some better iron shots coming in. I just didn't hit it close enough and give myself the opportunities.

But I'm proud the way I played, and it was a good tournament. It's great to be here at Grand Blanc again, back at Warwick Hills. And certainly my relationship with Ally, it means so much to me that they would come and support the community like they have. And Andrea and her team, just amazing. So, we'll be excited to come back again next year.

Q. All right. Thanks.
