

FINAL ROUND INTERVIEW
September 16, 2018

KENNY PERRY

Q. Kenny, probably not necessarily the finish you were looking for out here on a Sunday.

KENNY PERRY: Well, no, I played lousy. I didn't get off to a good start like I wanted to, and I just didn't have it today. It's just golf. I didn't drive it well. I didn't putt well. I didn't do anything well.

I don't know if I ran out of gas in this heat. It got bad out there. It is hot, humid. I felt sick, nauseous, on the 8th and 9th hole. I thought I was going to throw up. It was like a heat exhaustion sickness. And I drank a whole bunch of Powerade on 10, and that helped me. I got to feeling better going down the back side. But I'm just thankful to get done. Ready to go home.

Q. Not typical around here in September for that, is it?

KENNY PERRY: No kidding. I don't know where all this humidity is coming from, but I am soaked. There is not a dry article of clothing on me.

Q. How about the week overall, though?

KENNY PERRY: Great week.

Q. We have been talking about it all week.

KENNY PERRY: The people are fantastic, yeah. What a joy to be back here, and to see everybody, to see the enthusiasm, the excitement.

The golf course is immaculate as always, fun to play. Enjoyed the heck out of it.

Q. Appreciate it, Kenny.
