## Phillip Price

**Q. Nice to be back at the Old Course, a bit of nostalgia from the past, playing here again?**

PHILLIP PRICE: Been here for a lot of Dunhill Links. Looking forward to the week before I started. Perfect place to host this tournament.

**Q. Nice to be in today and feeding off each other?**

PHILLIP PRICE: Yeah, Paul played lovely. He got to 7-under I think, maybe finished six but played lovely today. Nice to watch.

**Q. Does it give a different sense of important when you come here?**

PHILLIP PRICE: This is probably the ultimate, if you said where do you want the Senior Open to go, this would be it. I was told this would be the best field they have ever had for the event. This is special. We don't come here very often. So you feel excited about coming.

**Q. What about your own scores here in the past?**

PHILLIP PRICE: I think I've had a 66 maybe in the Dunhill Links. Probably played eight. Eight was probably when I finished, nothing great. I like the course but never had any great results here.

**Q. What were the highlights?**

PHILLIP PRICE: I putted great today. I holed so many putts. I should count my footage. Those Champions Tour stats, I holed plenty. The holes feel like buckets here. They seem to go in from the sides, so I quite like these greens.

**Q. What do you feel about the prospects if you were to knock it around in, say, four 68s? Would that be a good enough score?**

PHILLIP PRICE: Trying to think. Possibly around there, I would say. Depends how much it blows. I think it's quite tricky the back nine. It's pretty easy going out, but it's quite a big test. Any bad shots, you're in some ugly bunkers.

**Q. That is St. Andrews, isn't it. As soon as you hit the 12th tee and you turn for home, you're hanging on.**

PHILLIP PRICE: You're trying to hang on.
