Vijay Singh

Q. No dropped shots today. Were you happy with that round?

VIJAY SINGH: Yeah, could have been a lot less but the wind was really tricky. You know, we never practiced this wind all week. It was totally the opposite direction. So it was kind of -- it was okay going out.

There was a lot of birdie opportunities, so the scores were really low going out but coming back in, you had to plan yourself, where you're going to hit your shots. I managed it pretty good. I drove the ball well. Unfortunately did not birdie the last hole but 4-under is a good score. If you'd given it to me before I started today, I would have taken it.

Q. To play the back nine without dropping shots into the wind, that's quite impressive?

VIJAY SINGH: Yeah, I drove it well. If you drive the ball well, then, you know, the green opens up for you. I was able to just carry all those cross-bunkers, which was a big plus. But really happy.

Q. How nice is it for you to be back here playing on a links course?

VIJAY SINGH: Yeah, it's been a while. Really excited when I came over here and looking forward to the next three days and see if we can pull this one off.
