BIENVENIDO

¡Bienvenidos a la decimosegunda edición del Mayakoba Golf Classic! Abrimos las puertas de Mayakoba para que todos disfruten de la espectacularidad de uno de los circuitos deportivos más importantes en el mundo: el PGA TOUR en conjunto con muchas otras actividades a lo largo de esta semana.

Desde el comienzo de la historia del PGA TOUR en México, Mayakoba ha crecido logrando convertirse, hoy en día, en uno de los destinos favoritos del PGA TOUR para los golfistas, espectadores, patrocinadores y medios de comunicación, en gran parte, gracias a la singularidad y belleza del destino.

Mayakoba es el referente más claro del cuidado extremo del medio ambiente. Es igualmente referente de calidad de los hoteles (Andaz, Banyan Tree, Fairmont, Rosewood) y de las residencias. Es referente del turismo de golf, gracias, desde luego, a la excelencia de su Campo de Golf El Camaleón, auténtica joya de su diseñador el australiano Greg Norman.

Así mismo, ha nacido y crece con gran éxito el proyecto Ciudad Mayakoba, ejemplo del planteamiento urbanístico integral.

Mayakoba Golf Classic ha crecido exponencialmente desde el día de su inauguración en el 2007. La bolsa de premios que reparte el torneo ha incrementado de \$3.5 a \$7.2 millones de dólares y se han donado más de \$2.5 millones de dólares a distintas asociaciones de beneficencia que han ayudado positivamente, a Playa del Carmen y Cancún, a lo largo de su historia.

Así mismo, a través de los años, el nivel de jugadores que nos visitan, es cada vez más alto, y entre ellos siempre me enorgullece destacar la amplia participación de los jugadores mexicanos, ayudando con ello a la evolución y afición del deporte del golf en México y augurando un gran futuro para este deporte.

Les recibimos con los brazos abiertos y les invitamos a conocer Mayakoba, pero sobre todo, les animamos a que experimenten la espectacularidad de México, su riqueza cultural, la calidez y hospitalidad de su gente, sus tradiciones, su exquisita oferta culinaria, y todo aquello que compartiremos durante la semana del Mayakoba Golf Classic.

De igual manera, deseo expresar un grato reconocimiento a todo el personal de Mayakoba, las autoridades federales, estatales y municipales, los voluntarios, colaboradores y por supuesto a los profesionales del PGA TOUR, por formar parte de la familia del Mayakoba Golf Classic. No me cabe ninguna duda de que su compromiso y dedicación han sido decisivos para alcanzar los logros que hoy en día hemos logrado.

Reiterando mi bienvenida, quisiera expresar mi más profundo agradecimiento por acompañarnos.

Les envío un afectuoso saludo,

Juan Villar-Mir de Fuentes
Presidente, Grupo OHL

WELCOME

Welcome to the twelfth edition of the Mayakoba Golf Classic! It is our pleasure to once again open the doors to Mayakoba for all to enjoy the action of PGA TOUR golf along with a series of other activities throughout the week.

Since the beginning of the PGA TOUR's history in Mexico, Mayakoba has grown and established itself as one of the favorite destinations for PGA TOUR players, spectators, sponsors and media members alike, thanks to the unique and remarkable beauty of the resort.

Mayakoba is a singular example of leadership in taking extreme care of the environment. Additionally, Mayakoba is recognized as a benchmark of quality for its hotels and residences of the brands Andaz, Banyan Tree, Fairmont and Rosewood and as a world-wide leader in golf tourism, thanks of course to the excellence of El Camaleón, an authentic jewel of the Australian designer Greg Norman.

In addition, Ciudad Mayakoba has launched and continues to grow with great success as an example of an integrated urban development.

The Mayakoba Golf Classic has grown exponentially since its inception in 2007 with an increase in its purse from \$3.5 million to \$7.2 million dollars. Throughout its history, the tournament has donated more than \$2.5 million dollars to a variety of charities and philanthropic causes, positively impacting the communities of Cancun and Playa del Carmen.

Year after year, the field of professional participants becomes stronger and stronger which serves to elevate this great championship even more. And it is with great honor that we highlight the great participation of Mexican players, which helps to promote the sport of golf and aids the growth of the game in Mexico.

We welcome you with our arms wide open and invite you to enjoy Mayakoba. But above all, we encourage you to experience Mexico; its rich culture, the warmth and hospitality of its people, the traditions, exquisite culinary options and all else it has to offer during the Mayakoba Golf Classic.

I would also like to express my deepest gratitude to all the staff of Mayakoba, along with the Federal, State and Municipal authorities, volunteers, employees and of course, the PGA TOUR professionals for being part of the Mayakoba Golf Classic family. There is no doubt that your commitment and dedication to the tournament have been essential to the great success we have achieved over the years.

Once again, I extend our most cordial welcome and express our deepest gratitude for joining us.

Sincerely,

Juan Villar-Mir de Fuentes

DESCRIPCIÓN DEL CAMPO DE CAMALEÓN EL CAMALEÓN

EL CAMALEÓN GOLF COURSE DESCRIPTION

El Campo de Golf El Camaleón en Mayakoba es obra maestra de Greg Norman. El diseño de sus 7,024 yardas (los profesionales lo jugarán como 6,987 yardas) se extiende sobre tres paisajes: selva tropical, densos manglares y áreas arenosas a la orilla del mar cuyos hoyos se encuentran separados por enormes canales de piedra caliza.

El campo es excepcional, pero no se quedan atrás las demás instalaciones de golf. La hermosa casa club que domina al green 18, y tanto el área de entrenamiento como el driving range son de primera categoría. Más increíble aún es el singular sistema de canales del resort; los jugadores podrán salir de su habitación para subirse a un bote que los llevará directamente a la primer mesa de salida.

El Camaleón Golf Course at the Mayakoba Resort is Greg Norman's masterwork. The 7,024-yard layout (the pros will play it at 6,987 yards) bends through three distinct landscapes: tropical jungle, dense mangroves and oceanfront stretches of sand with holes split by massive limestone canals.

While the course is a standout, the surrounding golf amenities are equally stunning. The handsome, Mayan influenced clubhouse rises above the 18th green, and the adjoining practice facility and driving range are five star. Even more amazingly, with the resort's unique canal system, golfers will be able to step out of their rooms and into a boat, which will ferry them to the first tee.

El Campo de Golf El Camaleón por Abraham Ancer:

En general, el Camaleón es un campo en el que tienes que pegarle muy bien del tee en todos los hoyos; si le pegas muy bien del tee tienes una muy buena oportunidad de hacer birdies, pero por lo regular siempre hay mucho viento y no se siente por los manglares entonces hay que tener mucho cuidado con los tees en Mayakoba.

El Camaleón Golf Course by Abraham Ancer:

In general, El Camaleón is a course where you have to hit good tee shots on all holes. If you hit a good tee shot, you have a very good chance to make birdies. Usually there is a lot of wind and you don't feel it because of the mangroves so you've got to be very careful with your tee shots at Mayakoba

HOYO 1 HOLE PAR 4, 438 YARDS

Regularmente el viento viene en contra de izquierda a derecha, es un tiro un poco complicado. De salida se ve muy estrecho el tee pero con un buen tiro de salida queda un tiro muy franco al green. Tiene un green pequeño, pero es una buena oportunidad de birdie ya que estas en el fairway.

The wind is usually against you and comes from left to right, making this a slightly complicated tee shot. The fairway is very narrow at the start. But with a good tee shot, it's very clear to the green. It's a small green, but it's a good birdie opportunity if you find the fairway.

HOYO 2 HOLE PAR 4, 428 YARDS

Uno de los hoyos más complicados del campo, ya que regularmente el aire viene en contra y el hoyo juega muy largo. Tienes que pegar en el fairway porque tienes hazard de ambos lados. El segundo tiro también es importante ya que una trampa de lado izquierdo lo resguarda muy bien.

One of the most complicated holes on the course, since the wind is usually against you and the hole plays very long. You have to hit the fairway because you have a hazard on both sides. The second shot is also important because the bunker on the left side protects the green very well.

HOYO 3 HOLE PAR 4, 389 YARDS

Es un par-4 corto con el viento viniendo fuerte de la izquierda, ya que estas más cerca del mar y se siente más. Dependiendo de lo largo que le pegues, puedes tirar con una madera 3 o driver y ya estando en el fairway es una muy buena oportunidad de birdie ya que te queda un tiro muy corto con un sand wedge.

A short par-4 with a strong wind coming from the left. Since you are closer to the ocean, you feel it more! Depending on how long you drive it, you can use a 3-wood or a driver. Once in the fairway, you've got a very good birdie chance since it's a short shot with a sand wedge.

HOYO 4 HOLE PAR 3, 112 YARDS

Yo creo que esto es uno de los hoyos más bonitos de Mayakoba ya que va directamente viendo al Caribe. El viento allí siempre está muy fuerte y completamente en contra o a veces un poquito de la izquierda también. Aunque sea un tiro corto tienes que jugar muy bien con el viento ya que puede afectar mucho a la bola. ¡Disfruta la vista!

I think this is one of the most beautiful holes at Mayakoba as it goes directly out to the Caribbean. The wind here is always very strong. Although it's a short shot, you have to play the wind very well because it can affect the ball a lot. Be sure to enjoy the view!

HOYO 5 HOLE PAR 5, 554 YARDS

Este par-5 es uno de los hoyos más emblemáticos de Mayakoba y uno de mis favoritos. Pegando un buen drive y con un poco de viento a favor de la derecha tienes oportunidad de llegar en dos, pero obviamente el tiro más importante ahí es pegar un muy buen drive ya que tienes manglar de lado derecho y un hazard que se asoma de lado izquierdo.

This par 5 is one of the most iconic holes at Mayakoba and one of my favorites. If you hit a good drive, with the wind at your back, you have the chance to get home in two. The drive is obviously the most important shot here because you have mangroves on the right side and a hazard that lurks on the left side.

HOYO 6 HOLE PAR 4, 416 YARDS

Un hoyo que juega relativamente corto porque el aire está a favor. El green está un poco elevado entonces visualmente es un poco diferente a los demás hoyos en Mayakoba.

A hole that plays relatively short because the wind is in your favor. The green is a little above you so visually it's a little different from the other holes at Mayakoba.

HOYO 7 HOLE PAR 5, 571 YARDS

En este hoyo, el tiro más importante es el segundo ya que en medio del fairway hay un hermoso cenote. Esto hace que el segundo tiro sea crucial ya que el área donde cae la bola es muy estrecha, tienes árboles de lado derecho, trampas y árboles de lado izquierdo.

On this hole, the most important shot is the second since in the middle of the fairway there is a beautiful cenote. The second shot is crucial because the landing area is very narrow since you have trees on the right side, bunkers and trees on the left side.

HOYO 8 HOLE PAR 3, 151 YARDS

Es un par-3 corto, pero puede ser un dolor de cabeza si no pegas exactamente el tiro como debe de ser. El green es muy estrecho y la parte de atrás es muy pequeña, si la fallas a la derecha hay una trampa y un cenote que es imposible jugar desde ahí.

It's a short par 3, but it can be a headache if you don't hit it exactly as you should. The green is very narrow and the back is particularly small. If you miss to the right, there's a bunker and a cenote where it's impossible to play from.

HOYO 9 HOLE PAR 4, 462 YARDS

Un hoyo muy sólido. Tienes que pegar un muy buen tiro de salida ya que tienes trampas de lado derecho. Del lado izquierdo hay mucho espacio donde puedes tirarle, pero el rough allí es relativamente difícil, casi siempre está un poquito largo por lo que hay que tener cuidado. El segundo tiro también tiene que ser muy exacto, el área de enfrente del green es muy estrecha y tiene una bajada que si no la botas donde es se te puede resbalar la bola un poco y pasarte del green.

A very solid par 4. You have to hit a very good tee shot since you have bunkers on the right side. On the left, there's a lot of space where you can hit it, but the rough there is pretty difficult. It is almost always really long so you have to be careful. The second shot also has to be very accurate. The area in front of the green is very narrow and has a false front so your ball can roll back off the green.

HOYO 10 HOLE PAR 3, 200 YARDS

Es un par 3 complicado y es más largo comparado con los otros par 3 del campo. Por lo regular el viento está a favor y el green es muy grande. Pero hay un hazard de lado derecho en donde he visto que muchos jugadores se queden por tratar de tirarle a la bandera y no tomar la ruta segura y tirarle al centro de green o de lado izquierdo de green, es definitivamente un hoyo en el que par no es un mal score.

A complicated par 3 and much longer than the other par 3s on the course. Usually the wind is at your back and the green is very large, but there's a hazard on the right side where I've seen many players end up after aiming for the flag and not taking the safe route by hitting it to the center or left side of the green. It is definitely a hole where par is not a bad score

HOYO 11 HOLE PAR 4, 360 YARDS

Par 4 corto. Regularmente se pega con una madera 5 o una madera 3, para estar en el fairway y tener allí un pitching wedge o un sand wege a la bandera. Es un hoyo recto relativamente sencillo, pero como siempre en Mayakoba un muy buen tiro de salida es la clave.

Short par 4, you tee off with a 5-wood or a 3-wood to get it on the fairway and leave yourself a pitching wedge or a sand wedge in to the flag. It is a relatively simple and straightforward hole, but as always at Mayakoba, a good tee shot is the key.

HOYO 12 HOLE PAR 4, 451 YARDS

Tienes piedras y árboles de lado derecho y árboles de lado izquierdo, por lo que hay que pegar un muy buen driver de salida. El segundo tiro es importante porque normalmente tienes el aire en contra de la izquierda y si esta fuerte es un tiro muy difícil ya que estas pegando con un fierro-6 o fierro-7 a un green que es elevado y es como un caparazón de tortuga entonces si no cae en el centro de green la bola tiende a resbalar para los lados.

Rocks and trees on the right and trees on the left, so it's essential to hit a very good drive. The second shot is important because you usually have the wind against you and coming in from the left. If it's strong, it is a very difficult shot since you're hitting a 6-iron or 7-iron into an elevated green that's shaped like a turtle shell! If you don't hit the center of the green, the ball tends to always roll down the side and off the green.

HOYO 13 HOLE PAR 5, 532 YARDS

Desde el tee un poco elevado, tienes hazard de los dos lados. El tiro de salida es recto, pero el viento siempre viene de la izquierda entonces si no le pegas solido a la bola tiende a llevársela el aire bastante y muchos quedan atrapados en el hazard de la derecha. Después, tienes un tiro hacia la izquierda al green, al que también tienes que pegarle solido o el aire tiende a llevarse la bola hacia la derecha donde hay más hazard.

From a slightly elevated tee, you have a relatively straight tee shot with hazard on both sides. But the wind always comes from the left, so if you do not hit the ball solid it tends to ride the wind and so a lot of balls find the hazard on the right. Then, you have a shot to the left to the green, to which you also have to hit solid or the wind will take the ball to the right where there's more hazard.

HOYO 14 HOLE PAR 4, 452 YARDS

Un par 4 muy sólido con un fairway generoso. Hay espacio para pegarle ya que el hoyo juega un poco largo, pero está muy muy bien resguardado el green con una trampa enorme de lado izquierdo entonces hay que pegar dos tiros muy sólidos para tener una oportunidad para birdie. En este hoyo hacer par es un muy buen score.

A solid par 4 with a generous fairway. There is space to hit it off the tee since the hole plays long and is very well protected at the green with a huge bunker on the left side. You have to hit two very solid shots to have an opportunity to make birdie. On this hole, par is a very good score.

HOYO 15 HOLE PAR 3, 155 YARDS

Uno de los hoyos más bonitos y emblemáticos de Mayakoba. Se ve el Mar Caribe de lado derecho y atrás del green. El viento siempre es un factor muy importante en este hoyo, siempre viene en contra de la derecha. Tienes que empezar esta bola en el hazard de lado derecho para que termine en el centro de Green. Muchísima gente falla este green de lado izquierdo porque no confían que el aire se va a llevar la bola hacia el Green—tienes que confiar que el aire está ahí y ejecutar el tiro perfecto.

One of the most beautiful and iconic holes at Mayakoba. You can see the Caribbean on the right side as well as behind the green. The wind is always a factor on this hole and it always comes in from the right. You have to start the ball out over the hazard on the right side so it ends up in the center of green. Many people miss this green to the left because they do not trust that the wind is going to take the ball. You have to trust that the wind is there and execute the perfect shot.

HOYO 16 HOLE PAR 4, 473 YARDS

Largo. Este hoyo se juega como par-4 para nosotros los profesionales, pero es un par-5 lo demás del año para el resort. Regularmente se pega una madera-3 del tiro de salida ya que el fairway se hace como cuello de botella, muy estrecho en el área donde llegaría el driver. El green es muy complicado ya que por lo regular pegas un palo largo, especialmente si la bandera está muy atrás. Esta resguardada por un bunker enorme a la derecha y atrás de lado izquierdo del green hay agua entonces tienes que ser muy preciso con tu tiro de salida y tu segundo tiro.

Long! This hole plays as a par 4 for the pros, but is a par 5 the rest of the year for resort play. A 3-wood is usually preferred on the tee shot since the fairway bottlenecks at driver distance. The green is very complicated since you are usually hitting a long iron—especially if the flag is at the back of the green. It's protected by a huge bunker on the right and behind the green there's water so you have to be precise with your tee shot and your second shot.

HOYO 17 HOLE PAR 4, 386 YARDS

Es un par 4 corto donde tienes hazard de lado izquierdo y manglares de lado derecho. Normalmente se usa una madera 5 y luego un palo muy corto a green. El green esta elevado, una buena oportunidad de birdie, pero como siempre en Mayakoba tienes que ser muy preciso en el tee sino puedes hacer bogey en cualquier momento.

It's a short par 4, but you have water down the left side and mangroves down the right side. Normally it's a 5 wood from the tee and then a short iron or wedge to the green, which is elevated. It's a good birdie opportunity, but like always in Mayakoba you have to be precise off the tee because you can make bogey at any time.

HOYO 18 HOLE PAR 4, 458 YARDS

Buen hoyo para terminar con la vista de la casa club atrás del green. Es largo y tienes que pegar un driver muy preciso con árboles de lado derecho y bunkers de lado izquierdo. Es un hoyo muy bueno para terminar el torneo ya que tienes que pegar dos tiros muy precisos para tener una buena oportunidad para birdie.

Great finishing hole with the view of the clubhouse behind the green. It's long and you have to hit a precise drive with trees all down the right side and bunkers on the left side. It is a very good hole to finish the tournament since you have to hit two precise shots to have a good opportunity for birdie.
