Today – There will be a mixture of sunshine and clouds today, along with cooler temperatures. Sunrise readings in the lower 40s will only warm to the middle 60s this afternoon. Winds will start out from the northeast early this morning and turn southeasterly during the afternoon hours. Isolated showers or storms will develop over southwestern Missouri this afternoon and move eastward into the area.

Winds (mph)	S 6-12	SW 8-15	SW 10-20	SW 10-20	SW 10-20

Extended forecast – A warm front will lift northward over the region tonight, with isolated to widely scattered showers and storms expected this evening and once again Monday morning. Much warmer weather is expected at the start of next week, as southwesterly winds boost temperatures to the middle or upper 70s. More rain will return mid-week.

Forecast prepared by meteorologist Willis Young.
