

**ROUND 2 INTERVIEW**  
**August 24, 2019**

**TIM PETROVIC (-9)**

---

**Q. Great round today. What was working for you?**

**TIM PETROVIC:** The putter. Just got the feel of the greens early and just hit some real solid iron shots. Was driving it real good, was hitting it real long and straight, gave myself some good opportunities and the putter got hot.

**Q. There's a couple low scores out there today. How do you think the course is playing?**

**TIM PETROVIC:** It's playing good. It's playing fair. We got kind of a little different wind today, 17 and 18's coming up in the wind and a couple tough pins coming in, but the greens are still soft. So when the greens are soft, there's going to be low scores.

**Q. You've come close a couple times this year. How do you plan on attacking tomorrow?**

**TIM PETROVIC:** Just going to play, do my thing. Just stick to my game plan. Can't control what the other guys are doing, all you can do is what you need to do and hopefully that will be good enough.
