

ROUND 3 INTERVIEW
August 25, 2019

DAVIS LOVE III (-3)

Q. Davis, your first time here. What did you think of the course, what did you think of the tournament, and what got you here? Fred?

DAVIS LOVE III: Well, I'd like to give Fred credit, but no.

Q. You don't have to.

DAVIS LOVE III: Then you'd have to blame him for the four years before that I didn't come here, so if you want to do that.

No, I haven't played all summer, so I'm trying to play a lot now. I had a foot surgery, that's why I've got a golf cart sitting right there. So I'm anxious to play. I played last week, here, and then I'm going to Calgary. Then I'll play three more Champions Tour events trying to get in the Playoffs. The way I'm going, I'm going to have to win one to get in the Playoffs.

Q. What did you think of the course?

DAVIS LOVE III: It's great. As reported, it's in great shape and, you know, it should suit my game, so hopefully next year when I get here I'll be a little bit more prepared and playing better. But yeah, it's fun to play. I like Nicklaus courses all the time, they've been good to me over the years. A lot of wins on Nicklaus and Dye, so I like playing Jack's courses. The fairways are generous and, you know, par 5s are reachable mostly for me.

Q. How is your foot feeling right now?

DAVIS LOVE III: Good, because I rode all day today. The guys in the fitness truck were bugging me about walking. They said, why? You know, you've got to walk next week in Calgary. I walked every day last week. They said why would you do that? So I went nine and nine the first two days and then I rode all day today. It doesn't help my game. I think I get stiff sitting in the cart. Freddie and I both are like, like to ride to get up the hill, but then getting in and out of the cart. I don't even like riding at home. I like playing fast at home. So I do ride, but I would like somebody to go with me so we can take turns walking fast. But I'm happy to be playing again. I'm playing terrible, but I'm happy to be playing again.

Q. It's still red.

DAVIS LOVE III: Well, yeah. I'm going to get to watch Fred play nine holes, so that means I didn't play real well.

Q. He could use your support right now.

DAVIS LOVE III: Yeah, we need some birdies. Definitely need some birdies.
