

ROUND 1 INTERVIEW
November 7, 2019

JERRY KELLY (-5)

Q. So good start, right?

JERRY KELLY: Yeah, it was a good start. I'm happy with it. I haven't been starting that great lately, so to get a good start under the belt, that helps for the momentum.

Q. What was sort of the -- any extra adrenaline when you stepped on that first tee today?

JERRY KELLY: I actually felt pretty comfortable. I'm feeling pretty good right now. It's just a matter of staying solid. I got a little tired at the end, things got a little loose and I've got to get stronger as the week goes on.

Q. It's pretty cool I think that Bernhard's 7 under, you're 5 under, all the top guys are sort of rising to the top here.

JERRY KELLY: Yeah, it's pretty neat. It will make it all tight. That's the way you want it. We want some drama.

Q. What do you do the rest of the night and leading into tomorrow?

JERRY KELLY: I'm going to go cook dinner, crack a little vino and enjoy myself.

Q. Do you have a different mindset because it's four rounds instead of three? Do you do anything differently mentally?

JERRY KELLY: No, you don't, but you just know that you've got plenty of time. For some reason those 18 holes, it's an incredible difference. You've got to sprint when it's three, but four, you're like I've got time. You've got a better percentage of having a low one out of four rounds than you do out of three.
