---

**Q. So you had a great showing last week, and here you are again on the leaderboard.**

**RETIEF GOOSEN:** Yeah.

**Q. Thoughts on today's round, and maybe parts of your game that are working well the last couple weeks.**

**RETIEF GOOSEN:** Of course, a little bit more tricky today in the breeze. I hit a lot of good shots that didn't end up very good, and so it was a scramble on a few holes for par. So, yeah, I managed to keep it together. I holed a few putts here in the middle part of the round. 18 was a bit disappointing. I had a good second shot in and just released through the hole green. And but, yeah, line up the -- four or five behind with 36 holes to go, a long way to go.

**Q. So you're No. 5 in the standings. Are you aware of the scenarios of what it would take for to you win the cup? Right now you're in good position.**

**RETIEF GOOSEN:** Well, the scenario is I have to win the event to have a chance.

**Q. Exactly, yeah.**

**RETIEF GOOSEN:** And whatever happens after that, I can't help. But yeah, with 36 holes to go, a long way to go. Maybe things work out this weekend and make some good putts. Get on a good birdie run, you never know.

**Q. Are you pleased with your rookie season and where things have ended up?**

**RETIEF GOOSEN:** Yeah, of course I am. Yeah, it's been a good year. It's good to get a win under the belt, and it will be nice to have another one this week.

**Q. Well, good luck the rest of the week.**

**RETIEF GOOSEN:** Thank you.
