

**ROUND 4 INTERVIEW**  
**November 10, 2019**

**RETIEF GOOSEN ( -21, lost 3<sup>rd</sup> playoff hole)**

---

**Q. Incredible fight all the way to the end. It seemed you answered every call that was made of you.**

**RETIEF GOOSEN:** Yeah, I had my chances obviously on the 72nd hole to win it and misread the putt. Anyway, got in a playoff and then I had my chance again on the first playoff hole to win it and misread the putt again. So yeah, it was disappointing. And then he made a great up-and-down on the second playoff hole and obviously what can I do? I hit a good shot in there on 17, I don't know, looked like about five feet to put the pressure on him and he holes it, so there's nothing I can do.

**Q. Did you have nerves throughout the playoff?**

**RETIEF GOOSEN:** It's sort of been a while since I've been in a playoff, but it's nice, this year I've had my chances. Unfortunately, I've lost two playoffs and so it could have been a really good year. It would have been nice to have won it and maybe walked away with the Cup, but I'm not sure what the standings were, but next year.

**Q. That leaves you hungry for next year. Obviously you mentioned having this year under your belt, you'll go back knowing the courses a little bit better, so hungry for next year?**

**RETIEF GOOSEN:** I am, yeah. Start off the year healthy and I'm used to my clubs now that I've used. At the beginning of the year, it was a slow start. So coming out firing hopefully in Hawaii and make it a good year.
