

**ROUND 2 INTERVIEW**  
**February 16, 2019**

**STEPHEN AMES (-11)**

---

**Q. Your thoughts? You're 11 under, tied for the lead.**

**STEPHEN AMES:** Yep. It was a tough day because didn't get many putts going in the hole, and unfortunately we took four hours and 57 minutes to play golf. That's a little long for out here. Something's still going on and nothing's been done about it as usual.

Other than that, I'm quite happy to be in the position I'm in. Tomorrow's another Kay.

**Q. Got a bunch of guys up at 10 and 11.**

**STEPHEN AMES:** You're going to get that, yeah. You're going to get that here.

**Q. How does that affect your strategy knowing there are so many guys in this tournament?**

**STEPHEN AMES:** Not really any. The golf course is starting to firm up now, the greens are getting a little tricky, and if the wind comes up like it did today again, that would be an interesting round of golf. So we'll see what happens tomorrow and go from there.
