

**GLEN DAY (-11)**

---

**Q. Nice birdie at the last hole, gets you up there tied for the lead or maybe one behind.**

**GLEN DAY:** Yeah, you know, I played good. I made one mistake, I made a double on the front nine, and other than that everything was real solid. You know, we're just going to keep doing -- you're going to get a lot of birdie opportunities out here, so you've got to stay patient. Hey, if putts fall, then you've got a chance. If they don't, they will fall for somebody.

**Q. What do you do when everything is so bunched up here?**

**GLEN DAY:** Just is what it is. You've got to do the best you can do. Like I say, somebody's going to go out tomorrow and make a bunch of putts, and they can come from anywhere because everybody's bunched up. Who knows. Hopefully it's you.

**Q. Real strong start to the season. What would it mean to punctuate it with a win tomorrow?**

**GLEN DAY:** Oh, well, it would be huge. I mean, I haven't won out here. Obviously that's something you want to do. I've had my chances and I seem to try too hard when I get in that position. So tomorrow I'm going to try -- I'm not going to try at all. I'm going to be conscious of just staying loose, staying positive, do what I can do. If it works, it works. If it doesn't, it doesn't.
