

**ROUND 2 INTERVIEW**  
**February 16, 2019**

**BERNHARD LANGER**      **-10**

---

**Q. What was the difference today?**

**BERNHARD LANGER:** I played a little bit better, hit the ball closer to the hole and made a couple of putts in the end. Yesterday I started off well, but didn't make any putts. That was really the difference, and birdied all of the par-5s.

**Q. Does another round on this course help?**

**BERNHARD LANGER:** It always helps to play a few more rounds. Like I said, I just played a little bit better. I hit the ball a little closer today and had a better feel for the putts. yesterday I left a few putts short. I thought the greens were a little slow yesterday. I don't know if it had something to do with the rain.
