

Q. You had some chances there.

Bernhard Langer: Had some really good chances, great putt on 16. Actually I thought I had it and it broke the opposite way, and 17 I had a great chance, and, you know, I had another -- for par, wouldn't drop. Played some good golf, hung in there, and it wasn't meant to be.

Q. It was a weird leaderboard. It moved a lot. Did you sense that during the day?

Bernhard Langer: I didn't look much at it, but, it always looked like it could be a playoff, so many players in the hunt. I know what's his name got out to a lead.

Q. Ames?

Bernhard Langer: Yeah, Stephen, got off to a bit of a lead, but the holes being played and the wind and the conditions, you never know. I wasn't surprised there was a playoff in the end.

Q. Were you surprised at how it all played out? The course was there for the taking, and it didn't seem like anybody was able to take it today.

Bernhard Langer: That's because of the wind and the greens played pretty good. This pin was really hard to get to and it's just not easy. Even putting, the wind makes it hard putting. These greens are tough to read. There is a lot of subtleties.

Q. Thanks.
