

ROUND 1 INTERVIEW
October 18, 2019

SCOTT PAREL (-6)

Q. Great start to the Playoffs. Is that what you expected coming into today?

SCOTT PAREL: Well, I don't know if I expected it, I was hoping for it. I played well today, yeah. I'm very pleased.

Q. Were the conditions cooler this morning? Did they have any effect on you today?

SCOTT PAREL: No. It was cool, but it was fine. I mean, I don't think it really affected anything. The winds were swirling was the big thing today, it was so hard to figure out where the wind was coming from. No, it was beautiful out here today.

Q. Lots of birdies today. Do any of them stand out to you?

SCOTT PAREL: You know, the first one's always important. I think when I made the one on three, because here lately I feel like I've started out hitting the ball pretty well and leaving some things out there and then you start to press a little bit. So I made probably like a 15-, 18-footer on three that kind of -- you know, after making a shorter one on two. After I made that, I kind of felt pretty comfortable.
