

ROUND 3 INTERVIEW
October 21, 2019

BERNHARD LANGER (-13)

Q. How frustrating is it to be out there and see that there's birdies out there and just be witness to that and not be able to keep up?

BERNHARD LANGER: Yeah, it's frustrating, but it's fun to see that somebody can do it. He played very well. He hit the ball closer than I did on a number of occasions with his irons and made the putts and that's the difference.

Q. Obviously the course was a lot softer today I would think than the previous two days. The scoring I guess a little bit better but not crazy?

BERNHARD LANGER: Well, there wasn't a whole lot of wind and ball in hand always helps a little bit. But yeah, conditions were soft, so the course played longer but not necessarily harder. Hard for me because I can't reach the par 5s, but not for the longer hitters.
