

ROUND 1 INTERVIEW
March 8, 2019

DOUG GARWOOD (-5)

Q. How did you feel like you played today? You're 5 under right now, sitting in third place.

DOUG GARWOOD: An off day, but --

Q. Oh, come on. I don't think the conditions were the easiest, right?

DOUG GARWOOD: No, it was very windy. I had no expectations. I played well, hit well, putted well, shot well.

Q. For you being from L.A., there's not a lot of events in California that you can kind of come down here and play.

DOUG GARWOOD: Yeah, I like playing in California obviously. We actually have three on this tour. We have here, Thousand Oaks and Pebble, so I enjoy all three of those events.

Q. This is your home game, or is PowerShares closer?

DOUG GARWOOD: That's --

Q. A little bit closer?

DOUG GARWOOD: Not a lot, but a little bit.

Q. You're staying at home this week?

DOUG GARWOOD: No, no. With traffic it could be two and a half hours. Hour and 15 with no traffic, two and a half with.

Q. You got in for Retief Goosen this week, so you found out on Sunday?

DOUG GARWOOD: Saturday, I think. I got a text on the course.

And I had a health scare last week. I had A-fib on the course in Tucson on Friday and hooked me up to machines after the round, took me to the hospital and had me shocked to get my heart back in rhythm. So I was just happy to play the next two days. Of course, happy to be here this week.
