

ROUND 3 INTERVIEW
March 10, 2019

FRAN QUINN (-8)

FRAN QUINN: A bad bogey on 14. Everybody in the field is making birdie and I just, you know, I let that get away, and then not birdieing the last. So those three right there, if I just take care of business, I finish at 11, right, and that's not playing good. I mean, it was just one of those days where I didn't miss a shot for two days and played just flawless golf, and today I looked like, you know, about an 8 handicap, or I felt like it.

Q. Does it give you confidence, at least, finishing this high?

FRAN QUINN: It does, yeah. You've got to look at the positives. It's a tough game and you want to -- you know, right now I'm burning inside thinking I should have done a lot more than that. But, I mean, having said that, you know, you've got to just -- good thing we have a week off.

Q. And were you in the field already for Mississippi?

FRAN QUINN: No, I wasn't.

Q. So this will get you at least a top-10, right?

FRAN QUINN: Yeah, yeah, so that's good. It's a positive. I think I might be in, I'm not sure.
