

**ROUND 3 INTERVIEW**  
**November 3, 2019**

**RETIEF GOOSEN (-13)**

---

**Q. Great performance today, obviously just came up a little short of going into the playoff. Just emotions on just coming up short?**

**RETIEF GOOSEN:** Yeah, I didn't play that well today. Putter was a bit cold, made a few bad mistakes out there. Overall, I played okay for the front nine. I hung in there and then I had a terrible second shot on 10 and caught a very bad lie in the bunker in the back. Made bogey on 10 and all I was thinking of was making birdie. From there I was hanging in there, but unfortunately just didn't happen.

**Q. Was there a lot of momentum playing with Bernhard, just keeping back and forth with the scores throughout the day?**

**RETIEF GOOSEN:** Well, he got off to a nice start and you knew that if you can pretty much finish in front of him, you're going to have a chance to win and it just didn't happen that day.

**Q. Looking ahead to next week, still a lot of exciting things to come with the --**

**RETIEF GOOSEN:** Yeah, I think my game's coming along nicely. At the beginning of the week I hit the ball horrible, so it got better as the week went on. Looking forward to next week and hopefully pull it off there.
