

ROUND 3 INTERVIEW
November 3, 2019

BERNHARD LANGER (-14)

Q. So I couldn't see where your ball was in the bunker. Was it kind of up against the back lip?

BERNHARD LANGER: It was a downhill lie with a big lip in front. It's hell down there, you just can't go down there. That bunker's built very poorly.

Q. The approach shot, did it just come off it a little bit?

BERNHARD LANGER: Just faded to the right. I was overaggressive. I was trying to make birdie and just pushed it about five yards.

Q. Played solid throughout the day and the last putt on 18 there in regulation, did you think it was in the hole when you hit it?

BERNHARD LANGER: No. It looked short, yeah.

Q. Disappointing obviously, but second place, still next week going in?

BERNHARD LANGER: I don't know, I have to look at the situation going in right now. I don't know where everybody else finished and how far I'm behind and all that kind of stuff. But it's been a good week, played some good golf, played good at Richmond, played good here, so that's encouraging. You know, finished fourth and second last two tournaments, so looking forward to next week, that's all you can do. Playoff, I made one bad shot and paid the price. That was the worst place you could hit it. Anywhere left I have a shot down there.
