

**ROUND 3 INTERVIEW**  
**November 3, 2019**

**COLIN MONTGOMERIE ( -14)**

---

**Q. Incredible birdie putt to get you to the course record and to take the lead. You must be in great spirits.**

**COLIN MONTGOMERIE:** That was a good putt, that was a good putt. It looked good going down. Just fortunate if something like that goes in. But it did and that's what you've got to do because you feel that somehow, it could work, it could not work. It could be one short, it could be something, you never know. Because I know nowadays you've got to keep going. You've just got to keep going.

**Q. And your wedges were on fire today. Those two chip-ins, that was very fun to watch.**

**COLIN MONTGOMERIE:** The two chip-ins at 10 and 11 really got me going, yes. To go through three there was a real bonus. And actually, believe it or not, believe it or not, the one at 12 hit the top lip as well, believe it or not.

**Q. You started off well and --**

**COLIN MONTGOMERIE:** I played the back nine 2 under. I started off fantastic every day. Four under after five today, 4 under after five, six yesterday, so you got off to a good start and I held it today, which was great.

**Q. How big was the birdie on 16?**

**COLIN MONTGOMERIE:** Huge.

**Q. Obviously a long putt, you rolled that one in?**

**COLIN MONTGOMERIE:** Huge. Yeah, so that was good. Just trying to really, to be honest with you, if you finish three, four, you've done okay. To continue issue three, three, was a bonus, the one at the last was a massive bonus. So we'll see. I'll watch the television with interest.
