

**FINAL ROUND INTERVIEW**  
**January 19, 2019**

**JERRY KELLY (-14)**

---

**Q. That was a close putt there on 18.**

**JERRY KELLY:** Not really.

**Q. I thought it was.**

**JERRY KELLY:** I left five putts dead in the jaws short on the back side today. I got tired, my focus was starting to wander a little bit, my body was all over the joint. So I'm just tired and I look forward to getting back into a cardio routine and getting stronger so I can finish these things off the way I want to.

**Q. That was a great eagle, though. That was crazy.**

**JERRY KELLY:** Yeah, that was an "oh, shit" moment.

**Q. We caught that on the broadcast.**

**JERRY KELLY:** I heard. My wife said, "My phone's blowing up, you said 'shit.'"

**Q. It happens.**

**JERRY KELLY:** No, just surprised me. I hit it in the middle of the club and it spun off there. And then I was like, "All right, I'm going to hit a provisional," and somebody says, "It's in the middle of the green." Okay, might as well make it. Great up-and-down on the hole after that, but after that, other than two-putting for birdie, it was just kind of --

**Q. Overall, though, still great to be on the top of the leaderboard when you're defending, right?**

**JERRY KELLY:** Yeah, first tournament on the Champions back from surgery, I learned a lot. I told you I made a lot of changes after Sony, so for those changes to actually -- I was worried after the first day, but last two days, I know what I could have done today, too. Yeah, it was a good start.
