

**PRE-TOURNAMENT INTERVIEW**  
**January 16, 2019**

**VIJAY SINGH**

---

**MODERATOR:** I want to start out by asking you about Hawaii. You've been here for a few weeks now. Is this a place you enjoy competing that is special to you?

**VIJAY:** Yeah, I got a house on the other side so its kind of relaxing before a grueling season that I think it's going to be so gotta work out eat right and uh just be calm and get ready.

**MODERATOR:** I caught a glimpse of you, your trainer and your caddie Danny having a workout session on property this morning before your pro-am round. Your recent social media posts have all but gone viral during the off-season so clearly training has been important to you over the break?

**VIJAY:** Yeah, you know he's an old trainer that I had in 08' and kind of hooked up again and he's got some new stuff and new crazy stuff that I actually enjoy doing. I did it a long time ago and uh, I've started doing it again although I'm quite a bit older now, I've got to watch myself but I'm enjoying the workouts.

**MODERATOR:** They still look pretty physical.

**VIJAY:** Uh, it's you know not as intense as it used to be, but I'm still doing it.

**MODERATOR:** So, do you set goals and do have a vision in mind for 2019, both on the PGA TOUR and on PGA TOUR Champions?

**VIJAY:** I'd like to start off winning here at Hualalai, that's my goal and you know I'm playing decent right now so I just have to maintain the intensity and see if I can win this one. For the rest of the season I'm playing six events starting at AT&T on the regular Tour so, hopefully I can put my game together one weekend and see what happens.

**MODERATOR:** What will it take to win at this course?

**VIJAY:** Very low scoring.

**MODERATOR:** You just played your second pro-am of the week. How is the course today?

**VIJAY:** Course is nice. You know I shot... I don't know what I shot yesterday or today as well but I am playing well, hitting the ball good. Didn't make a lot of putts here today, that's the key. I'm putting okay though so if I get into contention after the first day then, we'll go from there.

**MODERATOR:** Well hopefully your putter is on fire the way it was the final round of the Charles Schwab Cup Championship

**VIJAY:** I hope so too.
