

ROUND 3 INTERVIEW
June 2, 2019

SCOTT PAREL (-17, lost 1st playoff hole)

Q. I know it wasn't the outcome you hoped for, but just talk a little bit about your feelings right now.

SCOTT PAREL: I'm very disappointed. You know, I should have never been in a playoff to begin with. He played great, but I had too many chances. I just didn't do it today.

Q. Seemed like you kind of recovered, you got a slow start, and then maybe 15 is where you --

SCOTT PAREL: Yeah, 15, my foot slipped a little bit on the tee shot and then I think it hit the tree and went even farther right. So I didn't hit it way over there, but it had tree marks all over it, so it was in a bad spot over there.

Q. Are you thinking about the previous playoff when you're in this one, playing the same guy again?

SCOTT PAREL: I mean, you know, he played great. A playoff is whatever, it doesn't really matter who it is. Obviously you know you've got to birdie 18 to win the playoff.
