

**ROUND 2 INTERVIEW**  
**September 28, 2019**

**BILLY ANDRADE (-6)**

---

**Q. You finished minus 4 today at Poppy. Just your thoughts on the round?**

**BILLY ANDRADE:** Just thrilled. You know, a thrill to get in shoot a 4 under out here, this is not an easy course. I haven't played well the last few years, so I knew that as the day went on it was going to get harder and harder. This is a very penal place, you can hit some pretty good shots and get in some tough spots. I'm very, very happy with it and I'm really looking forward to tomorrow and having a chance to win this thing.

**Q. Tell me a little bit about your junior, Anthony. He's from Atlanta, too?**

**BILLY ANDRADE:** He is, he's from Atlanta. He's out of the East Lake First Tee and Greater Metro Atlanta First Tee merged together, so the two are together. He's just a wonderful kid. Amazing story.

Our club started The First Tee there and they started revitalizing the whole neighborhood, Mr. Cousin's vision, to now kids are not just going through middle school, now we've got them in high school at the East Lake Charter High School.

Anthony's team, he led his team to the state championship in Georgia, first all-black high school team. Five black kids to make it, to win, it's never happened in the history. But the story, you know, having five kids like that win the state chip championship the first time ever in the history of Georgia high school golf is pretty amazing. And he's a really nice kid. He's a pleasure to be around. I think we're close, maybe we might make the cut. He couldn't be a nicer kid.
