

ROUND 3 INTERVIEW
May 11, 2019

DAVID TOMS (-12)

Q. You hung in there today. Thoughts on the round overall?

DAVID TOMS: Yeah, I mean, it was a pretty good day for scoring. I just -- nobody in our group really got hot, so still take it. We all played pretty solid and within striking distance. That's kind of what you want come Sunday afternoon. Right there, just have to shoot a low one tomorrow.

Q. How much is the weather maybe on your mind? Obviously it's something you have to deal with almost every week it seems like.

DAVID TOMS: Yeah, we were kind of surprised we actually were able to play golf today thinking that it was going to rain all morning. Luckily for us we got it in, so we'll see what tomorrow holds.

Q. How good do you feel about the position you're in heading toward tomorrow?

DAVID TOMS: Pretty good. I guess I'm a couple back and that's just a few holes if you can get it going early. That will be the plan tomorrow, see if we can post a low number, see what we get.
