

ROUND 3 INTERVIEW
September 1, 2019

STEVE FLESCH (-11)

Q. Second round leader, what was kind of your mindset today? I know at AmFam you entered leading and then you fell back to 12th place. Obviously you held your own here today. Did you have -- did you sleep in, did you have a different mindset?

STEVE FLESCH: No. I wanted to play aggressively and I drove it great and I ironed it okay on the front, but I just didn't make any putts today. I didn't hit many great iron shots on the back nine, but it was more because I was in between clubs a lot. Like shooting 62, it seems like you have great numbers and it's just a full shot. Today was a lot of fiddly little things, like a little 6 or a big 7. You know, it's just how it works out sometimes.

But I finally made a putt on the last hole, which was a nice way to finish it. But you've got to play better, you've got to shoot -- I don't know what I would have had to shoot, 3 under par to win today? I mean, it's okay, I hung in there. A lot of encouraging things out of this week.

Q. Are you happy with your performance overall?

STEVE FLESCH: Very happy. I didn't make any putts, but I hit good putts, which means I probably wasn't reading them very well. I joke that I couldn't have read a coloring book today out there, but it's okay. I'm really honestly, Jackie, just glad I'm back playing golf. From where I was a year ago, I'm just back to being me and having fun and enjoying golf.
