

ROUND 3 INTERVIEW
September 15, 2019

JERRY KELLY (-16)

Q. Congratulations, Jerry. We just want to hear first how your emotions are, how excited you are. We can see it on your face.

JERRY KELLY: Oh, it's so awesome. Like I said last night, Kevin Conroy's the CEO of Exact Sciences and Cologuard and he dubbed me a Flintoid for the week. I mean, I love that term and, you know, the people were fantastic out there. We're so happy to be back at this tournament. Nos. 8 and 17 are just a ton of fun to play in front of. I wanted that birdie for those guys so they could have, you know, just a little bit more time with the two-dollar off beers.

No, it's a great place. Really happy to get the W here.

Q. And what clubs were working for you today? What really sealed the deal for you to stay ahead of Woody?

JERRY KELLY: You know, I felt off a couple times. For me to miss a driver into another fairway, that's like another planet for me. I got off a little bit, but I got right back on, which was nice. So the driver was great all week. I think up until today I had only missed one fairway and I didn't miss more than a couple today. So the driver puts me in position and then I was hitting good iron shots. I hit great putts, some of them just didn't go in today, but I felt very good with all of it.

Q. Does this excite you looking ahead to the Charles Schwab Cup Playoffs? The better you do now, we've only got three events left, you're in a great position.

JERRY KELLY: Yeah, I thought we had six. No, just kidding. Yeah, we know we've got to catch up to Scotty. We've got to do something special. He's been playing great and he's got a huge lead. All we can do is try and chase him down, try to win tournaments. We're all trying to play as best we can every single week, so just do the same thing next week.
