Extended forecast – Friday, the remnants of Hurricane Laura approach the area with increasing chances for showers/t-storms during the day, highest chance after 2pm Friday and through the evening. Locally heavy rain will be a threat with this, with 1-2" of rain expected Friday-Friday night. Saturday, drier conditions build in, but some isolated shower/t-storm activity may redevelop in the afternoon. Winds will turn out of the northwest Saturday, with gusts to 15-20 mph. Sunday, dry conditions are expected with lower humidity and a light east-northeast breeze.
