Extended forecast – Friday, scattered showers are possible at times during the day, highest chance in the morning. A weak thunderstorm cannot be ruled out but chances are low. Areas of fog are expected in the morning through 9am before clearing. Light winds Friday morning will turn northerly and increase slightly for the afternoon. Dry and cooler conditions hold over the weekend. Breezy east-northeast winds will be seen Saturday, with gusts to 25 mph during the day. A light easterly breeze Sunday morning will turn westerly in the afternoon as wind comes in off the Gulf.
