Today – Moisture levels will remain high across the Florida Peninsula on Sunday with showers/T-storms once again in the forecast. With southwest flow in place, the Gulf Coast sea breeze will quickly advance across the state, with scattered showers/T-storms most likely affecting the Orlando area between 2-5pm. South to southwest winds at 5-12 mph will be in place during the day with a high near 90 degrees. Most Likely Rainfall: Less than 0.25"; with locally higher amounts. **Sunrise: 7:25am / Sunset: 7:00pm**

Tomorrow – Drier, west-northwest flow, will be in place on Monday and this likely produces dry conditions around Orlando. Temperatures should climb to around 90 degrees with a west to west-northwest wind at 6-12 mph. Some gusts could reach 15 mph during the afternoon. **Sunrise: 7:25am / Sunset: 6:59pm**
