Today – Patches of fog may drift in from the east prior to 8am this morning, otherwise expect partly cloudy to mostly sunny skies with dry conditions forecast throughout the day. The temperature will reach a high near 83 degrees. South-southwesterly winds will increase after 11am, with gusts around 16 mph possible through 5pm. The overnight low will be near 60 degrees.

Sunrise: 7:19am / Sunset: 7:22pm

Day	Fri AM	Fri PM	Sat	Sun	Mon

Rain Amount (in)	0.00"	0.00"	0.00"	0.10" – 0.20"	0.00"
Temp (min/max)	Low: 60F	High: 89F	62/90	58/80	59/86
Winds (mph)	S 7-15 G16-20	S/SW 10-17 G18-23	S/SW 8-15 G20	NE 7-14	Calm → W/NW 7-14 G18

Extended forecast – Dry conditions will remain in place on Friday with breezy conditions arriving by the late morning hours. Expect dry conditions on Saturday as a cool front moves through the region Saturday evening. Some model guidance is now suggesting rain will become possible Sunday afternoon as an upper-level trough drops into the Central Plains. High temperatures will range from 80-90 degrees through the tournament rounds, while the overnight lows will range between 58-62 degrees.

Forecast prepared by meteorologist Joe Halvorson.
