Winds (mph)	N 5-10	N 5-10	N 6-12	N 6-12	N 5-10	N 3-6

Today – The cold front has pushed south of Atlanta early this morning allowing drier air to overspread the area from the north. Mostly sunny skies can be expected today with highs in the upper 80s. The lower humidity levels will make it feel more comfortable than previous days.

Sunrise: 714am / Sunset: 756pm

Day	Sun	Mon	Tue
Sky			
Weather	Mostly sunny and low humidity	Mostly sunny and low humid	Partly cloudy. Becoming more humid
Rain Probability	0%	0%	10%

Temp (min/max)	66/87	64/87	66/88
Winds (mph)	ENE 10-15	E 5-10	SE 7-14

Extended forecast – The front will remain across Southern Georgia the rest of the holiday weekend into early next week as high pressure to the north dominates Atlanta's weather. This will allow the slightly cooler and less humid conditions to continue through Monday with lows in the mid-60s and highs in the upper 80s. The next chance for any thunderstorm activity will likely hold off until Wednesday of next week when the more tropical air mass returns.

Forecast prepared by meteorologist Stewart Williams.
