

**SCOTT PAREL (WINNER)**

---

**Q. All right. Incredible final round there, bogey-free, eight birdies. What was the key to today's round?**

**SCOTT PAREL:** My putting. My speed was great today. When you make that 12-footer on the first hole, it gives you a little confidence. And chipped it on the second hole. So, I mean, my putting was really good.

**Q. Your third win on the PGA Tour Champions. You got your first two in 2018. In 2019, you were close so many times. How important is it to get a win early on in 2020?**

**SCOTT PAREL:** Yeah, I think it's really important for me. You know you're not going to win every time you're in contention and you start to wonder how many more times are you going to get in contention? So for me to be in contention and to finish the job, very happy.

**Q. One of the things we noticed coming down the stretch, you were very aggressive off the tee. You said early on you didn't drive the ball very well at the start of the day. What adjustments did you make coming down the stretch?**

**SCOTT PAREL:** Yeah, I had a little grip on my right hand. I changed my thumb a little bit on my grip. It felt like it wasn't where -- for some reason, it just felt funny in my hands on my tee shot on eight. I hit a really poor tee shot there. And I feel like I'm swinging good, it's just that it's -- the club doesn't feel in the right spot, so I made a little adjustment, made my thumb on top of the club, and then from there on I hit every line I was looking at.

**Q. It certainly worked.**
