

**ROUND 1 INTERVIEW**  
**September 18, 2020**

**JIM FURYK (-8)**

---

**Q. Just a fantastic first round here, Jim, in at 64. Just your thoughts on the day?**

**JIM FURYK:** Yeah, obviously real happy. I got off to a good start on the back nine and kind of got things moving with some shots close to the pin. Made four birdies on the back, had a little blip at 3 with a three-putt, but birdies at 4, 6, 7 and 8. It's just good to get off to a fast start. Now kind of a quick turnover. Get home, get some rest, get dinner and right back at it in the morning. So excited to get -- definitely had some moisture sucked out of the golf course this afternoon and greens started firming up, so it will be good to get out there with some softer greens in the morning and hopefully some good weather.

**Q. Some may say you're kind of making it look easy out here. Have you found the course a little bit more, just bringing something out in you?**

**JIM FURYK:** Well, I think some of it's I've been playing on two courses that I know very well. I played 15 events at Flint, I probably played over 20 events here at Pebble Beach. The good news is I got to start on two places I was very comfortable with, enjoy both golf courses. At Flint I really felt like my game was in good shape going into that event so I was excited to go up there and play.

Definitely not counting -- I know this game can be just as mean as well, so really thankful to get off to a good start, but still have a great golf course in front of me and two more days, so just want to keep trying to do the same thing and keep making some birdies.
