**Today** – Similarly to the last few days, mostly cloudy conditions pair with brief hit-or-miss rain showers in the Kansas City area this morning through the early afternoon. Showers are localized and moving at 30-40 mph so any periods of moderate rainfall will be brief. Drier conditions build by the late afternoon/early evening. Winds may be breezy at times from the late morning through the afternoon, sustained 7-14 mph with a few gusts to 20-25 mph possible.
