Extended forecast – Saturday, scattered showers and a few t-storms are possible at times, with the highest t-storm chance from 1-7pm. Brief gusty winds up to 40 mph may accompany any showers and t-storms. Rainfall amounts will generally be light, with up to 0.10" possible. Winds Saturday will be more variable, but likely become southwesterly in the afternoon/evening. Sunday, dry weather returns with light and variable winds early becoming light from the south-southeast in the afternoon.
