Extended Forecast – Friday will feature partly cloudy skies and the chance for isolated showers and thunderstorms during the afternoon as temperatures warm into the upper 90's again. Westerly winds in the morning turn easterly for the afternoon and increase to 15-20 mph. A front drops in from the north Friday night into Saturday morning, bringing higher chances for scattered showers and a few thunderstorms, clearing the area later in the day and allowing for mostly sunny skies and nice weather on Sunday. Winds will be breezy out of the north-northeast on Saturday and become lighter and turn easterly for the final round on Sunday.
