**Today** – A dry and less smokey day is anticipated today; however, the Salt Lake City area will continue to see lingering areas of thin smoke/haze through the day. High temperatures this afternoon make a run for 90 degrees late this afternoon but may fall just short. Average winds only peak in the 10-12 mph range this afternoon.

**Rainfall: 0.00"**

**Sunrise: 6:29am / Sunset: 8:36pm**

**Sunday** – The dry trend continues Sunday along with hazy/smokey skies leading to filtered sunshine. Smoke has potential to be as thick as Friday if the fires in northern California can't be suppressed, but we likely won't know precisely how thick will be until tomorrow. Temperatures increase and reach the upper 90s. Winds increase as well out of the S-SW sustained 7-14 mph with occasional gusts to 20 mph.

**Rainfall: 0.00"**

**Sunrise: 6:30am / Sunset: 8:35pm**
