**Extended forecast** – Saturday, dry weather is expected with partly cloudy skies. Patchy morning fog is possible again Saturday morning. Light and variable breezes will be seen on Saturday, likely from the NE early, becoming SW for the afternoon. On Sunday, a low chance of a few showers may develop, highest chance in the afternoon. The chance of t-storms is very low. Winds will become south-southwest on Sunday, up to 14 mph. A slight warming trend is expected into the weekend with highs rising into the lower to middle 70s.
