Today – Clouds are expected to push off to the east this morning, with sunny but hazy skies forecast for this afternoon due to Canadian wildfires. Outside a slim (10%) chance for a stray passing shower through mid-morning, dry conditions are anticipated throughout the day and overnight. Northwesterly winds will become sustained at 12-17 mph this afternoon with gusts of 18-23 mph. Humidity levels will plummet through the afternoon as a drier airmass moves into the region. The high temperature will approach 90°F, while the overnight low will be around 63°F.
