

# TOKYO 2020

The Rules of Golf effective January 2019 govern play.

Also see Local Rules and Terms of the Competition and the applicable Notice to Athletes.

## **SCORING IN STROKE PLAY (Rule 3.3b)**

- After each hole during the round, the marker should confirm with the athlete the number of strokes on that hole and enter that gross score on the scorecard.
- When the round has ended, the marker must certify the hole scores on the scorecard.
- The athlete should check the hole scores entered by the marker and raise any issues with the Committee. He must make sure the marker certifies the hole scores on the scorecard, certify the hole scores himself and promptly return it to the Committee.
- If the athlete had more than one marker, each marker must certify the scores for those holes where he or she was the marker. Questions as to the Rules of Golf should be referred to the Rules Committee.

Official scorecards are the sole property of the International Golf Federation and if found must be returned to the International Golf Federation headquarters offices.
