Today – A dry cold front will be moving through Jackson mid to late morning shifting the wind out of the north and increasing to 7-14 mph this afternoon. Temperatures will remain warm with highs reaching the upper 70s to around 80 degrees under sunny skies. Cooler air will overspread the region this evening into the overnight with temperatures dropping into the 50s.

Winds (mph)	N 6-12	E 4-8	S→N 4-8	NE 4-8

Extended forecast – Cooler and drier air will overspread the region Friday into Saturday with lows dropping into the upper 40s to low 50s each morning with highs in the low 70s. Another weak cold front will move through the area late Sunday afternoon with a reinforcing shot of cooler air. Showers along the front will be decreasing and should dissipate before reaching Jackson Sunday afternoon. Otherwise partly cloudy skies can be expected with highs in the upper 70s.
