

2021 TOUR Championship Broadcast & Pre-Tournament Notes

FedExCup Starting Strokes: For the Third consecutive season, the TOUR Championship is weighted by FedExCup Starting Strokes, with the format crowning a single champion; at the conclusion of the TOUR Championship, the player with the lowest score in relation to par over 72 holes combined with his FedExCup Starting Strokes will win the TOUR Championship and be crowned FedExCup champion. The FedExCup points leader after the first two Playoffs events will begin the TOUR Championship at 10-under par. The next four players will start at 8-under through 5-under, respectively. The next five will begin at 4-under, regressing by one stroke per five players until those ranked Nos. 26-30 start at even par.
