**INCLEMENT WEATHER POLICY**  
 Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic scoreboards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.  
 A prolonged heat from an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should plan accordingly. Two short blasts from an air horn, repeated once, will indicate play has resumed.
