Extended Forecast – A slight chance of a few thundershowers will develop tomorrow afternoon with most of the region remaining dry. Chances for showers in addition to a few thunderstorms will be possible on Saturday continuing into next week as a front approaches from the west and stalls across the region. Low temperatures will generally be in the upper 60s to lower 70s. High temperatures will be in the 80s. Winds will remain S/SSW into next week with the highest gusts expected on Saturday around 25 mph.

Forecast prepared by meteorologist Marcus Hustedde.
